

18th Century Fan

Using our templates have a go at making your own 18th century fan.

You will need:

Template (printed on paper or card)

Scissors

Maths compass or ruler

Pencil and eraser

Colouring pencils

Ribbon or coloured string

1. Take your template and cut along the dotted line to the centre .
2. Using the compass or ruler and pencil follow the segment markers to the centre. This will help you fold evenly.
3. Fold the segments up and down to create the fan.
4. When closed up, round the top of the fan by cutting it to a semi-circle shape.
5. Unfold and erase the pencil marks.
6. Draw or colour a design on the fan, as you wish.
